PROJECT TITLE: *Fee Schedule Amendments*

PROJECT APPLICANT: City of Eureka **CASE No:** City-18-0001

PROJECT LOCATION: Citywide

PROJECT DESCRIPTION: The City of Eureka is proposing to amend the City’s fee schedule for actions related to commercial cannabis licensing, infill incentive permit requests, wireless telecommunication facility modification requests, and Mills Act application fees. The proposed changes will bring the City’s cannabis licensing fees into alignment with the revised commercial cannabis license types to include the deletion and creation of license types; create fees for infill incentive permits; create a fee to process Eligible Facility Requests for wireless telecommunications facilities; and waive the fees for homeowners wishing to add properties to the Local Register of Historic Places and take advantage of the Mills Act Historic Property Tax Incentive Program.

All interested persons are invited to comment on the text amendment either in person at the scheduled public hearing, or in writing. Written comments on the text amendment may be submitted at the hearing by mailing or delivering them to the Community Development Division of the Development Services Department, 531 “K” Street, Eureka, CA 95501; or by emailing them to sasbury@ci.eureka.ca.gov. Please contact the Community Development Division if you would like a copy of the staff report to review, or have any questions.
